from Their Royal Majesties

Unto the good populace of the Outlands do We send Greetings.

This is a busy time in our kingdom. We have a great deal of exciting news to share with you this month.

We would like to announce our alliance with Artemisia. For the next year the Kingdom of Artemisia has cleared its kingdom calendar so that all Artemisians might be able to attend our event Glory. Like wise, We have cleared our kingdom calendar for their event of Uprising. We would like to encourage one and all to attend Uprising next year, it is the equivalent of our Outlandish only with trees, green grass and a river.

We would ask our kingdom to hail the new baron and baroness of Carethe: His Excellency Kerold Hoegarden and Her Excellency Chiara Dela Luna. We know they will do the barony and the kingdom proud.

Please take time to carefully read the new kingdom law in the report from the kingdom seneschal. We now have a Council Of War within our kingdom. You will notice the council shall consist of: a member of the Royal Peerage, 4 members of the Order of the Chivalry, One member of the Order of the Pelican, one member of the Order of the Laurel, one informed member of the rapier community, one informed member of the archery community, the Kingdom Water bearer or a chosen competent representative, and the General of the Outlands' army. With the exception of the general we will be taking applications to fill these positions. All applications need to be to us by September 15th, and all positions will be filled by the end of September.

If you desire entrance into Our crown tourney, letters of intent need to be on paper and in Our possession by August 27rd. There will be a Lady of the Rose meeting and Chivalry Circle immediately following the tourney. Laurels, Pelicans, and White Scarves will meet with Us at the Warlord site starting at 9am in the above order.

This years Warlord tournament will be held the day following Crown tournament in the barony of Unser Hafen at their City Park. The list will open at 10am with the tourney starting at 11am. We encourage all able-bodied fighters to participate in this fine spectacle.

Lastly the 30th Pennsic will occur in August. This year the Outlands has a new camping area with running water and electricity. Lets show the Know World why the Outlands is the greatest kingdom!

May the sun shine gently upon you and light your way safely home,

Greetings to all who come by these words from the shire of Rio de las Animas Perdias. We wish you good fortune and prosperity as our summer season is now in full.

As Autocrat of this fine event, I am challenging all those of the Outlands who hold the Stag and it's strenght dear to their hearts to travel to the Silver Mountains of Durango, Colorado. Help us deny those from the west from staking claim of our shire. For the numbers are growing in the Kingdom of Artemesia, and it is heard that they long to retake the pass more than the Outllands wishes to hold it. Whether it be fighting, arching, singing, drumming, or dancing (or anything in between) attend.... and join the Lost Souls in correcting their point of view.

At this event the heavy weapons' Silver Pass Tourney will be Saturday, some time after dawn. The light weapons' Shire Defender Tourney will be Sunday, sometime after dawn. A prize melee for each, heavy and light, will be held on the opposite days fo the tourney's. As well as a planned Kingdom Fencing Symposium put on by Ildiko the Blonde. Archer competitions will be on-going both days (IKAC, Royal, fun prizes, etc.), and there is "a plenty" of shooting opportunity. A/S competitions for brewing, drumming, and bardic will be held. There is to be a dessert competition (so sweeten up), and an open-documentation (if you got it) all inclusive competition (except brewing, drumming, or bardic of course). We will have a high amount of children's activities, our annual Rolling Pin Toss, the return of Helena's Tavern, and... and... and... a bit of "End 'o' Season" relaxation.

The site is at 6,800 feet, and is in Bear and Cougar and Bee country, so beware. Dogs must be on leash. Site does have water, but in limited supply. There are still restrictions on open fires, candles, and tiki torches. Minor waivers, wich are notarized and proper, will be reqired for all minors not accompanied by their legal guardian. All sponsors will be accountable for their minor's actions.

Directions: Take your best route to Durango, CO. Follow Highway 160 East to County Roads 172/234 (a traffic light roughly 1.5 miles east of the city limits). Turn north onto CR 234; proceed 1 mile to County Road 228. Turn east onto CR 228 and drive 5.5 miles (note that CR 228 curves north). Turn right at SCA sign (Elk Meadow Drive) and continue 100 yards. Take a left at the Y-intersection and drive 1/4 mile to the site driveway on the North side (left). There will be signs posted from the Hwy 160/ CR 234 turnoff to the site. WARNING!! There is a speed limit on the Elk Meadow roads, so Please obey them. Excess speed will display lack of interest and respect for the Outlands and the SCA. And it's nice to the neighbors.

The Vinegrower & His Sons

An old vinegrower was about to die, and he wanted his sons to learn his trade. He called them to his bedside and said, "Boys, I'm dying. Find all there is in my vineyard." They thought there was a treasure hidden there, and after their father died they took picks and shovels and dug up all the groud eagerly. They found no treasure, but the ground had been very well prepared for the vines, which produced a huge number of grapes and made them rich.

Moral: Hard work is a man's greatest treasure.

Kingdom Officer's Reports

From the Kingdom Minister of Arts & Sciences

Greetings!

The Arts and Sciences touch every aspect of how we participate in the SCA, from every single fighter, the wonderful people who help in the kitchen and the all out craftperson. To learn more about the Arts and Sciences and how it effects everything come and join me sometime during the day at Stagscon August 11-12 in Caerthe.

During the day I will be explaining rules for competitions, how to judge competitions, what a display is, etc. This is also your opportunity to input any ideas you may have.

Let's not forget the Kingdom Competition this October. I will have further info on this event at Stagscon. Who knows, YOU may be the next Kingdom Champion. You never know until you try.

A&S Teachers are a valuable resource for newcomers. Teachers are volunteers and are greatly appreciated by everyone. Please remember that as a teacher it is your responsibility to set a good example when teaching a class. Any craft that is taught falls under the auspices of A&S. Please do not use A&S classes as a way to influence people towards issues other than what the class is supposed to be about. I know this is common sense, but it"s my responsibility to send out these little reminders every now and then.

See you at StagsCon!!!!

Jorunn

From the Archer General

Greetings to the Archers of the Outlands.

This is my final letter to all of you.

I have decided to step down from my position as Archer General due to mundane job pressures. I have enjoyed working with all of you these past 2 1/2 years and nthank you for your efforts in the practice of target archery and for your support. My deputy, THL Larke the Fletcher, assumed my duties on Saturday, July 7th.

Larke brings a great deal of experience to the position of Archer General as a fletcher, an archer and a marshal. He has many ideas that will enhance the archery program. Please give him your support and help to make this great program even better. Keep an eye on the OH and the SCA-Outlands web page for contact information.

Thank you again for your support.

Yours, In Service to the Dream,

ThLdy Ailinn Shadowfox,

Outgoing Archer General, Outlands

From the Kingdom Earl Marshal

Greetings Outlanders,

August brings many fine events both within the Outlands and beyond her borders. I will remind all fighters making the long journey to Pennsic to make sure to acquaint yourselves well with the fighting conventions practiced there before taking the field, as several of the fighting conventions are a bit different than you are probably used to. Within the Kingdom there are a host of martially oriented events that will give fighters a chance to display feats of prowess on the tourney field and to test their tactical ability in melee combat.

I have received word that at Pennsic War there will be a meeting concerning combat archery and have asked for representation and from each Kingdom at the meeting. I am already soliciting input on this issue around the Outlands through local knight marshals, and authorizing marshals, but would greatly appreciate any and all other input on the subject of combat archery and particularly ABDs to take to this meeting.
Please have your comments to me by August 10th.

Fight well and be safe,

Hrothgar

From the Kingdom Equestrian Marshal

Greetings!

The summer months are filling up with lots of opportunities for equestrian pursuits. Already we have seen four events with equestrian activities, beginning with the Hawks, Hounds and Horses event in March, the Great Hunt and Grand Outlandish in May, and the Midsummer's Night Dream event in June. Many new riders have been authorized and

the Outlands is already doing well in the interkingdom equestrian competition.

By the time you read this missive, riders from the Outlands will have gotten the chance to participate in a demo at the largest equestrian event in the region, the Make-a Wish Foundation charity horse fair at the New Mexico State Fairgrounds. A jousting company is also scheduled to appear at this event, and I'm looking forward to a great exchange of information. The Caer Galen Equestrian Defender will have also been selected at their annual Heavy Weapons and Equestrian Defender Tournament.

Upcoming events to put on your calendar include an IKEqC/practice in Gleann Medonach (contact me for details (505) 622-8796) on August 18th-19th, an equestrian gathering in LaVeta, Colorado on September 29th and 30th, and perhaps equine activities at Staked Plains.

With all of this summer activity, we all need to keep in mind the safety issues involved with riding in the SCA. Before the events, make sure your tack is in good repair, the horse(s) are comfortable with any unusual equipment or garb, and the horses are in good enough condition to withstand a long day of riding in the sun. At the event, keep in mind sun-screen for riders, fly spray for horses, and plenty of water for all! I look forward to riding with everyone.

Siubhan.

From the Kingdom Chamberlain

Greetings Outlanders from Duchess Madigan, Kingdom Chamberlain.

As I write this letter I realize it has been two years since I took on this office and it is time to hand it over to a lucky successor. The office of the Kingdom Chamberlain is a deputy position of the Kingdom Exchequer and involves several main duties. These include keeping track of the regalia used by the Crown, renewing supplies of medallions and award regalia, maintaining and commissioning regalia as needed, storing any regalia that is not in use and assisting with the transfer of regalia at Coronation court and Crown tournament. The amount of storage that the regalia takes up is about three of the large plastic tubs worth. This changes according to what the Crown would like to use for Their reign, but is never very much.

This office is a great way to meet people and get to know who does what in the Outlands and to see first hand the wonder of true generosity that many display in giving of their time and efforts to the Kingdom.

Please contact myself and Duchess Mikulina, Kingdom Exchequer, if you are interested in this office.

There is a new deputy position for the Kingdom Exchequer and it is still vacant.

The Kingdom now has a glorious green and gold pavilion and new list field that were made in the spring by the generous artists of the Outlands. They will both be stored in the green 'Kingdom' trailer, which will be devoted solely to the transport and storage of these great items. The person who accepts this job gets to haul the trailer, which will have lots of extra room for your personal gear and plenty of pole capacity, to several events a year. These events include but aren't limited to: Both Coronations, both Crown tourneys, Estrella war and Outlandish. The deputy can arrange for transport when it's not possible for them to transport it personally at their convenience as long as the trailer gets where it needs to go in good time.

Please consider whether you are a person who generally goes to these events and could tow a trailer and use the extra hauling capacity for your, or your groups, possessions.

I have several projects in need of craftsmen, please contact me for more specific information if you would like to donate your time and talents and receive endless gratitude and fame. Briefly some of the Kingdom needs are: Field Crowns, thrones, Stag's blood sashes, Silver Tynes Sashes and royal feast gear. If you have experience with metal or wood work and are interested in either of the first two projects please consider volunteering. Don't be shy! It would be great to put together a 'team' of collaborators to help design, build, or finish either of these projects as you artists need.

If you are working on any regalia and we haven't communicated in the last several months, could you contact me so that I can have a current accounting of what is being made out there?

This is a great office serving a wonderful Kingdom, please contact me for more information.

In service,

Madigan of Kandahar

Miscellaneous

Announcement!

Greetings!

I wanted to let everyone know that there is a combat archery range at Pennsic this year. There will be a meeting on the combat archery range at 4:00 pm, August 13th. The Society Earl Marshal and the Society Archer Marshal will be present. The meeting will be a perfect time for marshals, combat archers, or whomever to discuss the APD issue and see the latest legal and experimental designs. If you would like more details, please contact me.

The combat archery range will be open for practice, IKCAC and other shoots. If anyone would like to help marshal the range, I could use more volunteers. My contact information is below, if anyone has suggestions or questions.
Thank you.

Ros. Why, then your ambition makes it one: 'tis too narrow for your mind.

Ham. O God, I could be bounded ***in a nutshell*** and count my self a king of infinite space were it not that I have bad dreams.

Guil. Which dreams indeed are ambition; for the very substance of the ambitious is merely the shadow of a dream.

Ham. A dream itself is but a shadow.

Ros. Truly, and I hold ambition of so airy and light a quality that it is but a shadow's shadow.

Once again, if your Kingdom doesn't appear in the lists above, it means I don't have enough scores to compute an average. Get some friends together and shoot an IKAC or IKCAC, and get your Kingdom in the standings! Complete rules, score sheets, target pictures, link to target suppliers and the top scores for each archer are available from the IKAC web site at www.detommaso.org/ikac
Shoot well!

Autocrats, please take notice of the article size constraints, and try to stay within them. All event articles are allowed three (3) showings in the Outlandish Herald, one (1) of which MUST be the month of the event (i.e. A March event MUST run in the March OH). The other two publication months are typically the two months preceding the event. An autocrat may request publication more than two months in advance, but that publication will count against the three (3) publication limit. Additional printings may be purchased at the current advertising rates. Kingdom Events (Crown, Coronation, A&S Competition/Collegium, and others as designated by the Crown) receive one (1) page in the publications prior to the event, and two (2) pages the month of the event. Non-Kingdom Events receive one-half (½) page in the publications prior to the event, and one (1) page the month of the event. Additional space may be purchased for any publication month at the current advertising rates. Current advertising rates are listed in the front of the Outlandish Herald. Where possible, please provide the Kingdom Chronicler's office with a prior month article, and a month of article fitting the above criteria for publication. The OH is printed presently with an 8-point font that allows for approximately 300 words in a one-half (½) page article, and 600 words in a one (1) page article.
